## TERMS AND CONDITIONS

Prices are subject to change without notice.

A minimum charge of \$50 Net will apply on all orders.

Shipments are FOB: Cranston, RI, with full freight allowed on \$2,500 Net.

Federal or local sales taxes will be added to the net price and paid by the purchaser where applicable.

## RETURNED GOODS

Written authorization must be obtained before goods are returned.

Transportation charges will be paid by the shipper.

Goods must be returned within 60 days of shipment for credit. Special terms will not qualify for credit (refer to original invoice for terms.)

Factory authorized returns must be carefully packed in proper containers and the shipping charges prepaid. Handling, reconditioning or restocking charges will be determined by the factory and paid by the shipper.

No claim will be allowed for products damaged in transit, during or after installation, and expenses incurred with claims for which Leonard is not liable will be charged to the buyer.

## LIMITED WARRANTY

Leonard Valve Company warrants the original purchaser that products manufactured by them (not by others) will be free from defects in materials or workmanship under normal conditions of use, when properly installed and maintained in accordance with the Leonard Valve Company's instructions, for a period of one year from the date of shipment. During this period, the Leonard Valve Company will at its option repair or replace any product, or part thereof, which shall be returned, freight prepaid, to the Leonard factory and determined by Leonard to be defective in materials or workmanship. There are no warranties, express or implied, which extend beyond the description contained herein. There are no implied warranties of merchantability or of fitness for a particular purpose. In no event will Leonard be liable for labor or incidental or consequential damages. Any alteration or improper installation or use of the product will void this limited warranty.
